MEMORANDUM FOR: Legislative Counsel

SUBJECT : Focal Point for Security Support

1. The Office of Security is aware that the Office of Legislative Counsel is in receipt of numerous diverse inquiries from Congressional contacts, and some of these items either relate directly to our security program or require an input from this Office. I understand that the majority of your inquiries relate to expedite requests for clearances and/or a check of OS records because of interest in an individual who claims present or previous Agency employment.
